## Personal Profile

I am a professional developer with experience in Frontend/Backend Development, Web Design and DevOps. I am dedicated, creative, efficient, and highly focused on finishing projects with high-quality standards. I have experience in development using React, Sequelize, Express, JavaScript TypeScript, Jest, Nodejs, MySQL, ORM, Responsive Design, Sass, Gulp, PHP, WordPress, Bootstrap, WordPress, HTML, CSS, as well as other relevant tools. I also have some involvement designing wireframes, mock-ups, email marketing, good handling of Photoshop and Illustrator with experience in commercial environments. My goal is to keep learning to become a S.O.L.I.D developer.

Check out my digital CV at <https://sergiok10.com>
